Ouagadougou, 24 February 2009

Dear Sophie,

We are profoundly grateful for your invaluable efforts to increase the visibility, availability and use of the Scenarios from Africa films on HIV/AIDS.

There are currently 33 films in the Scenarios from Africa collection. With this present letter, we hereby formally authorize SIDA-ENTREPRISES to include those films, in the language versions of your choosing, on the Canal PREVENTION website on a non-exclusive basis for free streaming and for free downloading/burning, for as long as you wish. For this purpose, we are pleased to provide SIDA-ENTREPRISES with the films as a free donation.

Thank you again.

With sincere regards,

Daniel D. Enger
